Due to the variety of the products and businesses in Ireland we can truly offer candidates a world of opportunities and encourage internal mobility and learning & development.

At Citi, the main way we identify the very best talent is through our Summer Internship Programme. These paid programmes run for 6-12 weeks over the summer.

Summer Interns joining us need to bring a new perspective, and act with urgency, courage and conviction to drive change. Given the scale and variety of our business, there's a huge range of opportunities if you're talented and want to build a rewarding career at Citi.
